ACCESSIBILITY PLAN

20XX-20XX (NOTE TYPICALLY A PLAN SHOULD LAST FOR 3 YEARS)

Include a short summary here to say what the plan is about so readers can easily understand it.

To note: guidance (shown in blue) included in this template should be removed prior to publication.

1. The Purpose of this Plan

Below is some standard text which you may use. You may wish to consider writing an introduction from the Head Teacher/Chair of Governors.

This plan sets out how The Academy will increase access to education for disabled pupils in three key areas: a) increasing the extent to which disabled pupils can participate in the academy curriculum;

b) improving the environment of the academy to increase the extent to which disabled pupils can take advantage of education and associated services;

c) focusing on how we deliver information, which is often only provided in writing to improve accessibility for all including disabled parents.

Our school accessibility plan will be reviewed every three years and reported on annually.

2. What does accessibility and inclusion mean for our academy?

We are committed to providing an academy that can be accessed, understood and used to the greatest extent possible by all people regardless of their ability or disability.

When reviewing or redesigning our academy environment (such as our buildings, technology, information, communication or culture) we will be guided by the following:

- (a) Provide the same means of use to enable access for all users: identical whenever possible; equivalent when not
- (b) Avoid segregating or stigmatizing any users
- (c) Provisions for privacy, security and safety shall be equally available to all users
- (d) Ensure dignity in use for all users.

3. Definition of disability

The definition of disability is set out in the Equality Act 2010, Part 6:

‘A physical or mental impairment which has a substantial and long term effect on a person’s ability to carry out normal day to day activities’.

Reasonable adjustments for disabled people

Where something the school does places a disabled person at a substantial disadvantage compared to a non-disabled person, we will take all reasonable steps to try to avoid that disadvantage. This may mean changing the way we work, providing extra equipment or removing physical or other barriers.

4. Information about our academy

You can find out about our academy on our website, here <https://hopefederation.org.uk/>

Appendix B Academy Accessibility Plan

Statement of intent

This plan should be read in conjunction with the Academy Development Plan and outlines the proposals of the Local Governing Body of **Rudham CE Primary Academy** to increase access to education for pupils/students with disabilities in the three areas required by the planning duties in the Equality Act 2010.

A person is regarded as having a disability under the Act where the person has a physical or mental impairment that has a substantial and long term adverse effect on their ability to carry out normal day-to-day activities.

This plan aims to:

- Increase the extent to which pupils/students with disabilities can participate in the school curriculum.
- Improve the environment of the school to increase the extent to which pupils/students with disabilities can take advantage of education, benefits, facilities and associated services provided.
- Improve the availability of accessible information, which is readily available to other pupils/students, to pupils/students with disabilities. The above aims will be delivered within a reasonable timeframe, and in ways which are determined after taking into account the pupil'/students disabilities and the views of the parents/carers and pupil/student. In the preparation of an accessibility strategy, the Trust must have regard to the need to allocate adequate resources in the implementation of the strategy.

The Local Governing Body also recognises its responsibilities towards employees with disabilities and will:

- Monitor recruitment procedures to ensure that persons with disabilities are provided with equal opportunities.
- Provide appropriate support and provision for employees with disabilities to ensure that they can carry out their work effectively without barriers.
- Undertake reasonable adjustments to enable staff to access the workplace.

The plan will be resourced, implemented, reviewed and revised regularly in consultation with:

- The parents/carers of pupils
- The Headteacher/Principal and other relevant members of staff
- Governors
- External partners

This plan is reviewed annually to take into account the changing needs of the academy and its pupils/students, and where the academy has undergone a refurbishment.
